Roles and Responsibility:-

- Approve the institution's mission, strategic vision, long-term academic initiatives, and make sure they serve stakeholders' interests.
- The appointment of a principal, and delegate the authority to the principal for the institution's corporate, financial, estate, and personnel management.
- To abide by the laws, statutes, and bylaws of the university, the DTE, the PCI, and other governmental organizations.
- The governing body is in-charge of managing the college's finances, educational programme, research and development initiatives, academic programme administration, and other operations.
- Track and assess the institution's efficiency and performance in relation to its approved key performance metrics and strategies.
- The governing council may assign committee members to perform certain tasks, but the principal will continue to be ultimately responsible for the management of the institution.
- Shall endorse the college's plan for raising the standard of instruction it offers, for making efficient use of resources, for maintaining its financial stability and for protecting its assets.
- Fulfil the purposes for which the institution was established to ensure that it is well operated.
- Constantly acting in the college's best interests.
- Assume general accountability for students' welfare.
- Approving annual estimates of revenue and expenses.
